RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT
UNDER 37 CFR §1.121

S I R:

This paper responds to the "Notice of Non-Compliant Amendment (37 CFR 1.121)" ("the Notification") dated September 10, 2008 in connection with the above-captioned application. The Notification contends that the "amendment document filed on 21 July, 2008 is considered non-compliant because it has failed to meet the requirements of 37 CFR 1.121 or 1.4" because "each claim has not been provided with the proper status identifier."

It is first noted that several attempts were made to contact the Examiner Julet McMillan regarding this erroneous Notification, but the Examiner never responded to our contacts. It is respectfully submitted that the section of the Preliminary Amendment captioned "Amendments to the Claims" appearing on page 4 fully complies with the requirements of 37 C.F.R. § 1.121. The Supplemental/Replacement Preliminary Amendment filed on July 21, 2008 (see page 4) makes plain that it provides the status of all claims.

It is believed and respectfully submitted that the previously filed Supplemental/Replacement Preliminary Amendment fully complies with the requirements of 37 C.F.R. § 1.121. A courtesy copy of the previously filed Supplemental/Replacement Preliminary Amendment accompanies this response. It is respectfully submitted that all issues raised in the Notice of Non-Compliant Amendment have been obviated, and reconsideration is respectfully requested.

It is believed that no fees are due in connection with this Response. However, should any fees be due, the Commissioner is authorized to charge the deposit account of **Kenyon & Kenyon LLP**, Deposit Account No. **11-0600** for such fees.

Respectfully submitted,

Dated: October 10, 2008
